

What can be recycled?

New restrictions have been placed on us by the facility processing our recycling: Effective immediately the facility will not accept recycling in black or colored bags. In addition, as a reminder, food waste, medical waste and Styrofoam continue to be banned from all recycling loads. Failure to follow these guidelines will result in your recycling being rejected at the processor necessitating disposal as trash. This will result in additional fees. Please contact your Republic Services representative for a complete list of banned items.

Recyclable

These items can be recycled in one container with All-in-One Recycling™
