NHA Grill Policy

- Only propane and charcoal grills are allowed.
- Grills are not permitted inside or on porches, decks, or balconies.
- Always locate a grill ten feet (10) away from any combustible wall.
- Set up grill in an open area away from buildings, dry leaves, or brush.
- Be aware of the wind blowing sparks.
- A fire extinguisher should be kept within handy reach of grill. (recommended)

Grills may be stored behind a building, disconnected from its gas source.

The use of outdoor patio and space heaters, outdoor decorative heating appliances and outdoor fireplaces such as chimneys, fire pits or outdoor fireplaces using solid fuel including charcoal, wood, fuel pellets or any non-gaseous fuel are prohibited.

If NHA staff observes grills being stored incorrectly or destroying NHA property, the NHA observes the right to restrict you from having a grill on the property.
